## The Effective Remedy

WASHINGTON, Iowa, April 4, 1903.

I was troubled for over a year with so scanty a flow that it was virtually suppression. A heavy cold superinduced this condition and nothing I could do seemed to help me. The only effective remedy I ever found was Wine of Cardui. Within two weeks I felt the good effects of the medicine and after I had used 12 bottles in all I was as healthy and regular as any woman could wish to be.

My sister used it while expecting to become a mother and found that it made childbirth comparatively easy and after the child was born she found that it helped her to regain her strength.

## WINE OF CARDUI

Wine of Cardui cures nine out of every ten cases of the disorders of menstruation. These cures are permanent, whether the trouble is complicated or not.

Wine of Cardui cures the sickness of young girls, relieves the weakness of adults, banishes leucorrhoea, headaches, backaches and nervousness and eases the crisis attendant on the change of life.

Thousands of mothers besides Miss Root's sister have found grateful relief from the pains of childbirth and have had a quick and happy recovery from its use. You cannot afford to suffer when \$1.00 bottles are sold by all druggists.

### WHY IT SUCCEEDS.

Because it is For One Thing Only, and Astoria Residents Are Rapidly Learning This.

Nothing can do good for everything. Doing one thing well brings success. Doan's Kidney Pills do one thing only.

They are for sick kidneys. They cure backache and every kidney ill.

Here is evidence to prove it:

J. Blake whose place of residence is 225 Market street, Portland, says: "I bought several boxes of Doan's Kidney Pills and I scarcely think if the first had not proved satisfactory that I would have tried the second and third. I have used in my home almost everything said to be a cure for weakened or overworked kidneys and bladder, but nothing ever gave me the satisfaction I received from Doan's Kidney Pills. They are easy to take, have no effect upon the stomach or bowels and act directly on the kidneys and I thoroughly believe from the results I received and also from observation that Doan's Kidney Pills are one preparation on the market which acts directly as represented."

Emphatic endorsement can be had right here in Astoria. Drop into Chas. Rogers' drug store and ask what customers report.

Sold for 50 cents per box by all druggists. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name Doan's and take no substitute.

## UNION MEN AND EMPLOYERS HOLD AMIABLE CONFERENCE

The Alaska Fishermen's union last night showed its good intentions in dealing with those Astoria packers operating canneries in the far north, and as a result of the meeting held at Labor Union hall the local canners will be enabled to hold their own in competition with the packers of San Francisco. The fishermen had determined to ask the packers for a 1200-fish limit, but when it was explained to them that this would place the Astoria packers at a disadvantage they readily withdrew their demand.

Messrs. Elmore and W. F. McGregor, representing the Columbia River Packing Company, were present at the meeting. They were informed that the fishermen were satisfied with the conditions agreed upon recently by the San Francisco branch of the union, with the single exception of the fish limit. They said they would prefer a 1200-fish limit. Then the packers explained the hardships this would work, and a friendly conference ensued. After the packers had left the meeting the fishermen decided by unanimous

vote to withdraw the demand, in the interests of the men who employ them, and who must meet the San Francisco packers in market competition, and the San Francisco scale was adopted.

The suggestion was offered that the Astoria branch amalgamate with the San Francisco branch. The members present last night all expressed themselves as favorable to the plan, but final action was deferred until the arrival here of those fishermen who signed at Portland. Another meeting will be held this week and it is likely the proposal for amalgamation will be favorably considered.

"The union does not desire to place the Astoria packers at any disadvantage," said Secretary Lornsen last evening. "Our packers must compete with those who do business from San Francisco, and, while our union would have been very pleased with a 1200-fish limit, we believed it would be unfair to our employers to compel them to make us concessions in excess of those enjoyed by the San Francisco fishermen. We merely did what we believed to be the right thing."

### EAGLES HOLD FORTH TODAY.

Excellent Easter Program Prepared For Members and Families.

The Easter services of Astoria aerie of Eagles will be held this afternoon at the lodgeroom in Pythian castle.

The program has been arranged by Joseph Gribler, whose efforts in the line of entertainment have earned for him an enviable reputation. The session will be presided over by Worthy President Herman Wise, and the address will be delivered by District Deputy Grand President J. N. Laws. A fine program of musical events has been provided and there will be interesting specialties by professional and amateur talent. The Eagles' orchestra will furnish the music, under the direction of G. L. Glenn. Refreshments will be served. Members of the order and their families will attend the session, which promises to be the most thoroughly enjoyable of any yet held by the lodge.

The Eagles have issued a program of the events to take place this afternoon, and attached is the following little poem, which is well worth reproduction in The Astorian:

The effort that goes furthest toward making life worth while,  
That costs the least and does the most,  
Is just a pleasant smile.  
The smile that bubbles from a heart  
That loves its fellow men  
Will drive away the clouds of gloom  
And coax the sun again.  
It's full of worth and goodness, too,  
With many kindness blent;  
It's worth a million dollars, and it  
Doesn't cost a cent.

### THE REAL TEST

Of Herpicide Is In Giving It a Thorough Trial.

There is only one test by which to judge of the efficiency of any article and that is by its ability to do that which it is intended to do. Many hair vipers may look nice and smell nice, but the point is—do they eradicate Dandruff and stop falling hair?

No, they do not, but Herpicide does, because it goes to the root of the evil and kills the germ that attacks the papilla from whence the hair gets its life.

Letters from prominent people everywhere are daily proving that Newbro's Herpicide stands the "test of use."

It is a delightful dressing, clear, pure and free from oil or grease.
